Dear Professors,

Thank you for your interest in publishing with us.

We acknowledge the receipt of your paper, and it is considered for publication in the upcoming issue. However, certain points must be addressed before we proceed further. Please find the points below and revise accordingly:

The reviewers recommended that the following details be observed in your paper:

The title can be modified as: Managing Mental Health and the Factors Related to Developing a Productive Workplace in.....please add a specific place where your study was...It will give the title much vitality and clarity.

The abstract should reflect the aims of the study, the research method employed, and the major findings.

The article must necessarily be divided into: 1) Introduction (in plain text, without subtitles, presenting contextualization, objective or research question, and justification), 2) Theoretical framework, 3) Methodology, 4) Results and Discussion, 5) Conclusion. References.

Kindly cite at least 2 papers published in the Journal of Migration Letters: <https://migrationletters.com/index.php/ml/index>

Quotations if in another language have to be translated or at least put in quotation marks. References must be all in English.

Regards

Editor-in-Chief
