Dear:

Fransiska Nuning Kusmawati*, Nandini Setyaputri

It's our pleasure to inform you that, after all of the review process and editorial decision, your paper entitled:

"Effect of immersion time in sour turmeric drinks on colour changing of heat cured acrylic resin plate"

has been ACCEPTED to be published in Padjadjaran Journal of Dentistry volume 33 edition 2, July 2021.

In order to fit into the publishing and printing schedule, please reply this acceptance email with completed and signed Journal Publishing Agreement package attached, as soon as possible, so we can make your article available online/print in our latest issue (the PDF version).

Also, please do the given final approval of the galley proofs of the published article by completing and signing the Author Manuscript Proofread and Approval Form as a part of the Journal Publishing Agreement package, after you read and review the final galley version attached with this email.

If you failed to prepare your complete files on time, the publication of your article might be delayed.

Thank you for working with Padjadjaran Journal of Dentistry. We believe that our collaboration will help to accelerate the global knowledge creation and sharing one step further. Please do not hesitate to contact us for further information by sending email, visit our editorial office, or contact our journal administrator.

Chief Editor
Prof Sunardhi Widyaputra, drg, MS, PhD

Dear Dr. Fransiska Nuning Kusmawati,

We are glad to inform you that your Article has been "Accepted with Major Revisions" by two of our expert reviewers out of three. Please find the attached e-Review Forms for detailed elaboration. We request you to make changes as per the reviewers' comments or if you think that the suggested changes cannot be done; please provide your response in the same e-Review Form.

Note: To make the publication process fast, we request you to make the changes/response to reviewers as soon as possible or a maximum of ONE WEEK. Please let us know if you have any queries so that we may address them all as early as possible. Kindly acknowledge us the receipt of this email.

Thanks & Regards

Dr. Andreas Demopoulos
