Dear authors,

We are pleased to announce you, that your article has been accepted for publication in IOP Conference Series: Materials Science and Engineering 2020, based on the selection and reviewing process by the referees. The final decision will be made by the IOP Publisher.

The paper has also been revised by the language and layout Editor. In order to fit into publishing and printing schedule, please read the Proof Reading once again to prove the final version. Re-send your form approval by sending email using subject "Approval IOP #ID" within 5 days, so that we can send your article to IOP.

If there is any correction, please list in the correction form attached. If you failed to prepare your proven files on time, the publication of your article will be automatically processed.

We would to thank you again for your submission to ICAMT-ICMR 2019.

Regards,

ICAMT-ICMR 2019 Paper Secretariat

Dear Authors,

ICAMT-ICMR 2019 Committee would like to thank you for your commitment to send the first revision for your paper. But after internal checked, there are still some correction that needs to do. We would be appreciate if you may re-checked it and follow the instruction on the comment beside the content. Due to the limited time we have, we would give you three days to fixed it and resend it through your easy chair account. If you have further question, please do not hesitate to contact us.

We would to thank you again for your submission to ICAMT-ICMR 2019

Dear Authors,

ICAMT-ICMR 2019 committee would like to thank you for your contribution to the successful conference in Bogor. The publication committee would like to inform you the result of reviewing processes as follows:

1. We are glad to inform you that your paper has been selected to be included in the IOP Conference Series: Material Science and Engineering indexed in SCOPUS.
2. However, you still need to revise the paper according to the reviewer comments (as attached).
3. Authors shall adhere to publisher's publication requirements, including, but not limited to, length of papers and format. Please prepare your revised paper according to guideline at <https://conferenceseries.iop.org/content/authors> and/or using the template available at [https://mrs-ina.org/icamt-icmr2019/?page\\_id=182](https://mrs-ina.org/icamt-icmr2019/?page_id=182).
4. The camera ready paper should be uploaded to EasyChair Submission System as soon possible or by a week after this email sent. Authors have to send the revised paper in Ms. Word.
5. The committee has provided its best efforts to assist the publication process at Scopus-indexed publication. Due to the cost of publication imposed to us, and the IOP still has the right to reject the paper when it is not appropriate, therefore the author has to fulfill all the requirement mentioned above.

Do not submit your papers directly to IOP Publishing; please contact your conference organizer for submission instructions.

As a summary, please ensure the following:

- Paper size is European A4.
- Margins are 4cm (top), 2.5cm (left and right) and 2.7cm (bottom).
- The paper includes the author name and affiliation (full address including country).
- There are no page numbers, or headers and footers, within the

paper.

- The PDF is free of formatting errors (e.g. corrupt equations, missing or low-resolution figures), since conversion from Word to PDF can introduce formatting errors.

- Text is single spaced, not double spaced.

- The PDF file is editable and not password protected.

- All pages are portrait (landscape pages should be rotated).

- Reference lists are checked for accuracy. References can only be linked via Crossref if they are correct and complete.

- Figures are placed within the text, not collected at the end of the document.

- A thorough proofread is conducted to check the standard of English and ensure wording is clear and concise.

We would to thank you again for your submission to ICAMT-ICMR 2019
